TIME FOR TEA

From its Black Tea Collection, Fresh debuts the **Black Tea Firming Overnight Mask**, £69, a lifting and firming treatment that creates a "tightening" effect on the skin thanks to tea, blackberry and lychee extracts, for a visibly more defined, radiant and contoured complexion.

GOING UP!

Eve Lom's **Radiance Lift Cream**, £70, adds to the already illustrious line-up from the range. An indulgent experience, this cream will lift, hydrate and boost skin's radiance for a more luminous complexion. The formula is packed full of vitamin C, hyaluronic acid, essential fatty and amino acids as well as rosehip oil, rose otto oil and antioxidants, which work together in harmony to achieve optimum "tensing" results.

PRIVATE RESERVE

Dr Perricone's Reserve Collection comprises an elite category of serums designed to deliver doctor-worthy advanced results, all from the comfort of your own bathroom. The latest addition to the collection is **Signature Reserve**, £305, a unique and innovative formula of two 15ml bottles that work together to address the multiple signs of ageing. Be amazed by a youthful, supple and radiant skin transformation.

WITHOUT A TRACE

Revive's new **Line Erasing Eye Serum Advanced Wrinkle Corrector**, £220, is the most potent of eye serums, using Nobel Prize-winning technology to soften the appearance of fine lines and wrinkles around the delicate eye area for instant and long-term rejuvenation.

DOCTOR, DOCTOR

Bring home the expertise of Dr Lancer's Hollywood dermatology clinic with this **Contour Décolleté Concentrate**, £155. Specifically created to combat ageing in the neck and décolleté area, this innovative firming concentrate contains a 20% active constitution featuring marine cone snail venom. The gentle exfoliating blend helps to restore skin smoothness and reduce the appearance of lines and crepiness.

ELIXIR OF YOUTH

A worldwide skincare premiere, Harrods introduces Youth Corridor by Dr Gerald Imber, world renowned plastic surgeon and leading authority in facial rejuvenation. **Ultimate Antioxidant C Boost Serum**, £200, combines the powerhouse properties of vitamins C and E with melatonin and B3 to increase collagen production and radiance. A supercharged serum for all skin types.
